- iii. Implied Rights. The Homeowners Association may exercise other rights or privileges given to it expressly by this Agreement, its Articles or Bylaws, or by law, and every other right or privilege reasonably necessary to effectuate the exercise of any right or privileges granted herein or therein.

3. COVENANT FOR MAINTENANCE ASSESSMENTS

- a. There shall be payable to the Homeowners Association from time to time, as assessed and levied by the Homeowners Association, by the registered owner in fee simple of each Current Lot including each parcel of Multi-Family Land, a sum equal to such Single Family Building Lot's or Multi-Family Land's (as the case may be) Rent Charge Proportion of the Homeowners Association's Costs, as and by way of a rent charge (the "Rent Charge"). If a Multi-Family Land parcel is hereafter subdivided or condominiumized into Single-Family Building Lots from and after the registration of the plan for such subdivision or condominium, the Rent Charge Proportion applicable to such Multi-Family Land parcel shall become equal to the number of Single-Family Building Lots created by such plan, and the Rent Charge Proportion applicable to such Multi-Family Land parcel will thereafter be the same for each Single-Family Building Lot so created as it is for any other Single-Family Building Lot.
- b. The Developer hereby, as registered owner in fee simple of each of the Current Lots subject to such liens, encumbrances and interests as are endorsed hereon, grants to the Homeowners Association a Rent Charge as against and in respect of each such Current Lot, equal as to each such Current Lot, to the lesser of:
 - i. In each case an amount equal to:
 - (1) \$300.00 per annum multiplied by the CPI Factor for each Single-Family Building Lot from time to time during the Term or such other amount as is determined by Ordinary Resolution pursuant to paragraph 3(c); and
 - (2) \$1000.00 per acre for Multi-Family Lands (that have not been subdivided or condominiumized into a Single-Family Building

Lot) per annum during the Term or such other amount as is determined by Ordinary Resolution pursuant to paragraph 3(c);

- ii. the Rent Charge Proportion of the Homeowners Association's Costs applicable to such Current Lot, from time to time during the Term hereof determined as herein provided for;

and encumbers, mortgages and charges each such Current Lot as security for payment of the Rent Charge applicable to each such Current Lot (respectively).

- c. "Homeowners Association's Costs" for any period shall mean any and all costs incurred or to be incurred in such period (including without limitation reasonable reserves for future maintenance, repair and replacement costs) by the Homeowners Association in and in respect of carrying out and exercising its rights, duties and obligations hereunder, as determined by the Board of Directors of the Homeowners Association from time to time. Notwithstanding the foregoing, and notwithstanding Paragraph 3(b) hereof, the Homeowners Association's costs for any Current Lot except the Multi-Family Land (unless the latter is subdivided or condominiumized into a Single-Family Building Lot) shall not exceed the amount per annum applicable for such Lot under section 3(b)(i)(1) hereof (and as to the Multi-Family Land as long as it remains unsubdivided or condominiumized as aforesaid shall not exceed the amount per annum applicable for such Lot under 3(b)(i)(2)) unless authorized by Ordinary Resolution of the members of the Homeowners Association.
- d. The Owner from time to time of each Current Lot shall pay the Rent Charge applicable to his Current Lot as and whenever required by the Homeowners Association. The Board of Directors of the Homeowners Association shall from time to time estimate the Homeowners Association's Costs (including without limitation reserves for maintenance, repair and replacement costs) for such period as it deems convenient to its administration and shall notify each Owner of the amount of such estimate and the Owner's share thereof (that is, his Rent Charge) by notice in writing given in accordance with paragraph 5 hereof. Each such estimate shall state the amount of the Rent Charge payable for the period. The Rent Charge for each Current Lot shall be the sum so notified by the Homeowners Association as applicable to the Current Lot and such Rent Charge for such period shall be due and payable on or before the 30th day following notice of the Rent Charge. If a Multi-Family Land Parcel is condominiumized by a condominium plan that does not create Single-Family Building Lots then the Rent Charge applicable to the Multi-Family Land Parcel shall be notified to the condominium corporation created on such plan registration and such Rent Charge notification shall be binding upon all owners of units in such condominium as if each owner had been separately and specifically notified as of the date of notification to the condominium corporation. Further, the Rent Charge applicable to such Multi-Family Land Parcel shall be and remain a charge and encumbrance on all units and common property within the said parcel.
- e. The Rent Charge shall be and is hereby made an encumbrance upon each respective Current Lot and the Homeowners Association shall have and be

entitled to enforce such Rent Charge against each such (respective) lot in the same manner as provided for an "encumbrance" under the *Land Titles Act* of Alberta.

- f. The said Rent Charge shall run with and bind the title to each such respective Current Lot and to each condominium unit and related common property interest.
- g. Notwithstanding anything herein contained no Rent Charge shall be levied, assessed or payable for any period prior to the date on which the Developer gives notice to the Homeowners Association in writing (which notice shall be in the discretion of the Developer) that they will require the Homeowners Association to commence levying a Rent Charge (the "Levy Date"). Further, the Developer shall determine by notice in writing to the Homeowners Association (which notice shall be in the discretion of the Developer) the date that they shall turn over the management functions for the Evergreen Subdivision to the Homeowners Association (the "Turnover Date"). The Developer shall provide all duties and functions of the Homeowners Association prior to the Turnover Date but may compensate itself for the costs of doing so after the Levy Date from the Rent Charges paid. Notwithstanding anything else contained herein, the Developer shall not be subject to any Rent Charges levied on lots in the Evergreen Subdivision owned by it from and after the Levy Date.
- h. The Board of Directors of the Homeowners Association shall (subject to the limitation stated in paragraph 3(c) hereof) be the sole determiner of the Homeowners Association's Costs, the Rent Charge Proportion, the amount of the Rent Charges from time to time and the dates on which they are payable; and a certificate stating the same and signed by two or more the Board of Directors of the Homeowners Association, or signed by an officer of the Developer, shall be conclusive and binding on all Owners within the Evergreen Subdivision (including without limitation the Owners of the Current Lots). The Board of Directors of the Homeowners Association shall, for and on behalf of the Homeowners Association (as the case may be), determine the Multi-Family Lands, in addition to the Current Lots that fall within the Evergreen Subdivision from time to time; and the foregoing certificate provisions shall apply to such determination.
- i. Without limiting the foregoing, the Homeowners Association hereby confirms that the Rent Charge for each Current Lot for the initial one year period commencing on the Levy Date, has been set at the sum of:
 - (a) \$100.00 per annum for each Single-Family Building Lot, and
 - (b) \$1,000.00 per annum per acre for each parcel of Multi-Family Lands,

and such Rent Charge shall be payable on or before the 30th day following the Levy Date. If the Homeowners Association or its Board of Directors fails or omits to determine or notify Owners of the Rent Charge for any portion of the Term hereof after the Levy Date, or if the Rent Charge for any portion of the Term shall otherwise not be ascertained or ascertainable then the Rent Charge for such portion of the Term shall be and be deemed to be the sum per annum set out

in subsections 3(i)(a) and 3(i)(b) (respectively) payable in one instalment for each Current Lot.

- j. Any Rent Charge not paid when due shall bear interest (and the Owner of the Current Lot in default shall pay interest on the Rent Charge in default) at the rate of SIXTEEN (16%) per cent per annum calculated monthly, not in advance, from the date due until paid; and such interest shall be and is hereby made a charge upon the said lot. Further, the Owner in default shall pay any and all costs and expenses incurred by the Homeowners Association in collecting and/or enforcing the Rent Charge and its recovery including without limitation all reasonable legal fees and disbursements (on a solicitor-and-client full indemnity basis) incurred by or on behalf of the Homeowners Association. Such costs and expenses shall be and are hereby also made or charge upon the said lot.
- k. The Homeowners Association shall be at liberty, in its sole discretion (but has no obligation), to postpone the Rent Charge and Encumbrance herein provided for, in respect of the Current Lot or part thereof, to a registered first mortgage of such Current Lot or part thereof, on such terms and conditions as the Homeowners Association may require, which may include (without limitation) a requirement for payment of a fee for and expenses incurred (including solicitor-and-his-own-client fees and disbursements) in connection with same and an undertaking by the mortgagee to recognize and leave in place this Encumbrance despite any foreclosure or sale of the Current Lot or part thereof.
- l. This Agreement and the rights, licences, interests, privileges and charges hereby granted shall be for a term of one hundred (100) years commencing on July 3, 2018 and expiring July 3, 2118.

4. **NOTICE**

Notices hereunder may be given to an Owner of a Current Lot by delivery to, or by prepaid ordinary mail addressed to, such Owner's Current Lot, or by publication in a local newspaper circulating in Red Deer, Alberta. If a Current Lot is further subdivided by condominium plan, then notice to any Residential Unit Owners within the condominium may be given to the condominium corporation at its address for notice and a single notice to such condominium corporation shall bind all Residential Unit Owners. Notice to the Developer may be given at its principal office in Edmonton, Alberta. Notices to the Homeowners Association may be given by personal delivery to the registered office of the Homeowners Association or by personal service on one of the Directors of the Homeowners Association. Notices to Current Lot may be addressed to "Members" or "Occupants" or "Owners" or "Residents" or any similar designation, and do not need to state the members' names. If a Parcel is part of a condominium property, notices to all Owners of Residential Units in such condominium will be deemed to be given on delivery or posting by ordinary mail to the registered address of the condominium corporation, or on newspaper publication as aforesaid.

5. MISCELLANEOUS

- a. This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.
- b. If any part of this Agreement shall be void, unlawful or unenforceable for any reason whatsoever, such part shall be severable from this agreement without affecting or derogating from the validity and enforceability of the remainder hereof.

IN WITNESS WHEREOF the parties have each hereunto affixed its respective seal as witnessed by the hands of its proper officers duly authorized in that behalf as of the day and year first above written.
